

COVID-19 Testing County Report.

Florida Health Department Guidelines for COVID-19 Testing

Patient exhibiting symptoms of acute lower respiratory illness (e.g., fever, cough and shortness of breath) **AND** meets one or more of the following criteria:

1. Persons who have had a close contact with a laboratory-confirmed COVID-19 case.
2. Persons hospitalized with acute lower respiratory illness of unknown origin.
3. History of travel to or from an affected geographic area with widespread community transmission.
4. History of international travel or a cruise.
5. 65 and older with chronic health conditions.
6. Immunocompromised persons.
